3) A copy of the R A election Rules is proclaimed and put up, as also the Municipal Election Rules

4) provision exists under Rule 123 of the above Rules for officers on duty at the polling Stations at which they are not entitled to vote to exercise their vote at that polling station on a Certificate issued by the presiding officer of the Constituency on which they are registered as electors ~~Each~~

5) Such a provision has not been made in the Rules relating to the election to City, Town and Minor Municipalities. In order that those officers on duty may not lose their franchise, the chekkabellapur town municipal council, at its meeting held on 30-7-47, has resolved, that similar facility may be provided in the Municipal election also and to that end (may be suitably amended) the Municipal election Rules). The D-e Recommends approval to the Board Resolution.

6) The District Board Election Rules have

Also been amended Records & Statistics No L 13856/LB 53-46-1 Dt/10 4 47 so as to permit officers on duty at polling stations to exercise their votes at that station as a certificate from the Assistant Commissioner concerned on the part the assignment of his name there.

8) The point for consideration is whether it is necessary to consult the S.C.s of the Distts before taking action in the matter

This appears to be unnecessary Pr

9) It is however necessary to amend the rules as suggested to provide for such contingencies, as has been done in the case of the Distt Board Election Rules

I agree Pr 28/6

10) The draft notifs for orders of the Govt may also be consulted as to its suitability

12) The draft notification put up by the administrative Secty amending the election rules in respect of Municipalities, does not appear to follow the notification issued in respect of District Boards. The rules have to provide for two contingencies viz

i) of the ~~person~~ polling Station at which the person is on duty is in the same Constituency and

ii) of the polling Station at which a person is on duty, is not in the same Constituency

This has not been followed in the draft put up. Although there may not be different Constituencies there are different divisions. According to Rule 7 of the City Municipalities Election Rules, no person is entitled to vote in more than one division and only in the division for which his name is entered in the electoral roll

13) If agreed, the administrative Secty will be requested to examine the question in the light of the above points

~~The amendments proposed have to be in respect of relevant and appropriate place under a Conduct of Elections" of the subject matter Cases under this heading~~

Amendment to the Municipal Election Rules.

15) Though there are different divisions in the Municipalities, the Returning Officer would take one and the same for the conduct of the Municipal elections, while in the District Board elections there will be different persons (Tehsils) officers for different Constituences. Further, the question of the person or duty in the same division as he is entitled to vote setting persons for exercising his vote does not arise in the case of Municipal elections and this may not therefore require the prescribing of any special procedure as in the case of the District Board elections. Hence the ~~draft~~ amendment has been ~~sent~~ allowed to meet the special conditions ~~and circumstances~~ in respect of the Municipal elections which is for consideration and orders.

16) The amendment as proposed in the draft is in order so far as it relates to the elections in Municipalities.

17) This may be sent to the Legislature branch for further necessary action if any.

Amendment to the rules for election of members to the Municipal Councils - Provision for officers and associates on duty at any polling station to exercise their franchise at the polling station even though their names are not allotted in such a polling station

I have the honour to state that under the existing R A & L C Election Rules, the officers and associates employed on work at the polling stations have been given the privilege of exercising their vote at the polling station in which they are engaged even though their names have not been allotted to such polling stations To exercise this right, they have to obtain a certificate from the Returning Officer of the constituency, authorising him to vote elsewhere But, in the Rules for election of members to the Municipal Councils, no such provisio exists The Municipal Council, Chikballapur at their meeting held on 30th July 1947 have resolved that similar facility may be provided in the case of Municipal Elections also so that the officers employed at the polling stations of one division may exercise their vote in that polling station even though they may not be the voters of that Division, on obtaining a certificate from the Returning Officer to exercise the right The other Municipal Councils who were consulted in the matter have also resolved that such a provision should be made in the election rules of the municipalities I request you kindly to obtain sanction of Government to issue necessary amendment to the Municipal Election Rules

I have the honour to be,
Sir,

Memo

Under the existing R A and L C Election rules, the Officers and Associates employed on work at the polling station have been given the privilege of exercising their vote at the polling station itself irrespective of the fact that their names have been not allotted to the polling station wherein they are on duty, after obtaining a certificate of authority by the Returning Officer. But, in the Rules for the election of members to the municipal council no such provision is made the municipal council Chickballapur have proposed to amend the rules providing for the convenience in the case of municipal elections also the Presidents of the remaining municipalities are requested to obtain the views of their Council and report to this office early whether such an amendment is deemed necessary to enable the officers employed at the polling station for one division to exercise their votes in respect of different divisions after obtaining a certificate from the Returning Officer

Sir,

I have the honour to state that the Municipal council at their meeting held on 30-7-47 have resolved that the rules regarding the exercise of votes by the voters who will have been appointed as polling officers and Assistants to the polling officers in divisions other than those in which the names appear in the voters lists will have to be ammended as in the case of Representative Assembly and District Boards elections In this connection, I may state that the voters ~~xxxx~~ who have got powers of voting in different divisions will under the present rules be deprived of the privilege of exercising their votes in case they are appointed as polling officers or as Assistants to them in different division since no vote by proxy is allowed With a view to give such of the voters an opportunity of exercising their votes it was resolved that the Benign Government be requested to amend the existing rules in this behalf

I therefore request you kindly to recommend the resolution of the Municipal council A copy of the resolution is herewith sent for kind perusal
